FB.COM/MANHATTNSBURGERS

In 2011, Jerry arrives in New York where he starts working as a Belgian waffle baker in the streets of Manhattan. While serving waffles & coffee in Central Park, he starts dreaming of bringing this New York vibe back to Europe...

# **OUR STORY**

Together with his brother Phil, who is a passionate chef, Manhattn's tries to bring out the best New York has to offer: delicious flame-grilled steak burgers in a vibrant atmosphere.

On October 22nd, 2014, Manhattn's opened its doors for the first time on 164 Avenue Louise, Brussels.

## FOOD PHILOSOPHY

# GRASS-FED IRISH ANGUS BEEF

Manhattn's works directly with a family business to source our daily fresh grassfed Irish Angus beef. The farmers we work with have over 4 generations experience in rearing Angus beef.

## DAILY FRESH Brioche Buns

We have created a tasty and beautiful bun based on an original recipe from a Little Italy bakery, in New York. Handcrafted and baked daily, they are delivered fresh every single morning at all of our locations to serve you the best Taste of New York.

# FRESH BELGIAN FRIES & HOMEMADE SAUCES

Our authentic Belgian fries are made from local fresh potatoes and cooked twice to honor our Belgian heritage!
