OUR STORY

In 2011, Jerome arrived in the streets of Manhattan New York where he worked in a food truck specializing in waffles. While selling waffles and coffee in Central Park, Jerome began to dream of spreading the New York vibe in Europe.

Together with his brother Philippe, a passionate chef, they founded Manhattn's Burgers to share the best of New York: delicious flame-grilled burgers served in a dynamic atmosphere.

On October 22, 2014, Manhattn's opened its doors for the first time at 164 Avenue Louise, in Brussels.
